

Public Service Announcement

PATHWAY CLOSURE STARTING 2/3/20

1/29/20-The Teton County/Jackson Parks and Recreation Department (TCJPR) in conjunction with the Teton County School District (TCSD) would like to notify the public of a pathway closure on TCSD property. The pathway between the Giant's Field and the School District bus parking area that runs north/south will be closed starting Monday 2/3/20 and will not reopen until mid to late March. Construction will begin the week of 2/3/20 on a new indoor batting facility located in the current location of the existing outdoor batting cage. In order to complete the work safely the area will be fenced off and the pathway will be closed. Staff will continue normal pathway plowing operations on the pathway to the south that intersects with Gregory Lane and around Flat Creek Business Center. If you have any questions you can contact Andy Erskine, Parks Manager, at 307-732-5793, Brian Schilling, Community Pathways, at 307-732-8573 or Mike Hansen, TCSD, 307-732-3705
